

FREQUENTLY ASKED QUESTIONS

Q1. My name is on the list of selected students, but it shows my gender incorrectly. How can I get this corrected?

A: All minor corrections will be done during Document Verification.

Q2. My name is on the list of selected students, but I have made mistakes while filling out the form. How can I correct them?

A: Mistakes can be corrected during document verification.

Q3. My JEE CRL rank is less than some provisionally called students. What should I do?

A: The list is prepared based on CRL Rank, not on the basis of category rank.

Q4. What is the cutoff rank for EWS in round 1, and will there be a round 2?

A: The cutoff of the previous year is available on the NFSC website. The cutoff of round 1 can be seen in the column where CRL rank is mentioned in the list called for document verification and medical examination.

Q5. When will the 2nd round for document verification and medical examination be released?

A: The 2nd round will start if seats remain vacant during the 1st round. The release date for the 2nd round will be announced on the official NFSC website. Keep checking the website for updates.

Q6. I belong to the General-EWS category and have an EWS certificate. Do I still need a caste certificate?

A: Please refer to the admission brochure of NFSC for detailed information.

Q7. What original documents are required during document verification process?

A: List of documents is given in admission brochure or call letter sent to candidates for document verification and medical examination.

Q8. What are the medical examination requirements for admission to the B.Tech Fire Engineering program?

A: Please refer to the admission brochure of NFSC for detailed information.
