DIRECTOR'S DESK

It is proud moment to present the Quarterly NFSC Newsletter (July – Sept' 2023). NFSC celebrated the 77th Independence day on 15th August with participation from NFSC staff members, students and trainees. Shri Taj Hassan, IPS Director General (FS,CD&HG) was Chief Guest for the function. Mr Prashant Lonkar, Fire Advisor, Ministry of Home Affairs, Govt Of India was present and graced the occasion.

During last three months students and trainees participated in various functions and activities at NFSC eg. Teachers Day function, Organ Donation Day, Cleanliness drive outside NFSC premises on 15th September 2023, Hindi Pakhwada from 14th to 30th September. The new batch of (30th batch) B.Tech students joined NFSC and induction program was conducted for three weeks starting from 5th August 2023.

Along with the regular Professional Training courses of SO, STO and DO many short term training programs are being conducted for Fire Services personnel eg. Training of Trainers, National Building Code & Disaster Management training .

In the present scenario of challenges in the ever growing field of Fire & Safety Engineering, we feel proud to say that NFSC is progressing with leaps and bounds in today's competitive world and achieving sustainable development and growth.

Under the able guidance and directions of Shri Taj Hassan, DG(FS,CD&HG) NFSC has embarked on the progressive path of development and expansion in terms of increase in the no. of training programs, collaboration with reputed institutions like IIT Gandhi Nagar for students exchange program and Research & Development activities.

New Projects like Virtual Simulator, Hydrocarbon Fire Simulation, Industrial / Non Industrial building simulation are in various stages of Tendering Process and will be completed within next calendar year.

In the coming months, NFSC will gear up for placement activities for the final year students and response from various organisations from Private and Public sector has been very much encouraging. With the significant milestone of 100% placement for B.Tech students during the last year, it is expected that this year the same feat will be achieved.

Best Regards,
R.M.Kshirsagar
Director, NFSC
